MAN Should not regularly drink more than 3-4 alcohol units a day

WOMAN Should not regularly exceed 2-3 units a day

BEST BEFORE END

ABV 4.0%
500ml e

LAGER

A classic continentally hopped lager (4.0% abv) but with an Oban Bay twist of citrus notes, giving a clear, crisp and refreshing finish. A bold, aromatic and refreshing lager style beer, with a subtle and smooth finish on the palette. Uncompromisingly expensive malt, produces the finest lager, typical of all our Oban Bay Beers.
